

My Lovely Little Girl

What gracious goodness
In your cuteness
God's smile showing in yours

We prayed for you
Before you were
We hoped for you
Who we'd love for sure

Magnificent truth
We pass on to thee
God's merciful grace
In you we long to see

Wisdom, Nobility, Dedication to God
Ruler of the Eagles
Bear your name well

And now, though you're small
We give your life to Christ
And consecrate ourselves
That you should live and be wise

For all that we'll give you
And with all that you'll learn
Make your life full of richness
And for eternity yearn

So in this earth
Be a blessing to all mankind
And make God your great treasure
So that in the fullness of time
The ages will speak honor
Of your name and great peace
And honor your God
Through the life that you lived.
